Nantucket

J Pepper Frazier Company Welcomes you to Nantucket Island! A beautiful place 30 miles out to sea, this island makes the ordinary day become pretty extraordinary.

As a result of the coronavirus, our 2020 summer season will look a bit different this year. A nationwide pandemic is not to be taken lightly and COVID–19 has quickly changed our lives, creating a different and new “normal”. Let's try and appreciate the positives of our new situation. We are forced into a new perspective, time at home becomes less hectic, more time with family, time to be peaceful and focus on natural beauty.

In the past seasons, most visitors would experience Nantucket by turning to shopping on Main Street, dining at local restaurants and bars, attending social events and fundraisers, and meeting up with friends. However, with new restrictions and social distancing in place, JPFCO wanted to show you some alternatives on how to experience your island time, while enjoying yourselves and keeping your social distance!

Your Nantucket home away from home

CHECK IN: is at 3:00pm, please be mindful that in most cases previous tenants have recently vacated the property and the window of time for cleaners to prepare between guests can be a challenge. Please do not arrive early unless previous arrangements have been approved.

CHECK OUT: Please check out on time. The cleaners are scheduled to come in around 9AM on the day of your departure to inspect and clean the house for incoming guests. Please leave the house unlocked for the cleaners.

CONDITION OF THE HOUSE: Please leave the house in the same condition as it was found. Nantucket housekeepers are typically paid between $30–$40/per hour/per person. One of the most time consuming aspects of the turnover cleaning is washing the towels and sheets and remaking the beds.

- Please strip the beds and start the laundry.
- Dispose of open food items in the refrigerator.
- Sort recycling and trash to bring outside to designated bins.
- Wash or place dirty dishes in dishwasher and start the cycle.
- Please replenish paper goods and cleaning supplies as needed.

The more you can do to help clean the house prior to leaving, the more likely it is to reduce the cost of the cleaning service. If you have left the house clean, the linens washed, the beds made, please leave a note for the cleaning service letting them know what you've done, so efforts are not duplicated. Of course, everyone's standards are different and the cleaning service is ultimately responsible for leaving the house clean and ready for the next tenant and they will have to do whatever is necessary to accomplish this.

RECYCLE: The Nantucket Landfill goes to extraordinary efforts to recycle and handle waste disposal. As of January 2000 all household trash must be placed in clear garbage bags. Please sort recycling (glass and cans separate from paper) and place in clear plastic bags as well. The clear bags should be provided for you at the rental home. Trash removal companies will not accept trash that has not been sorted, you will be charged an additional fee if recycling and trash is not properly separated and accessible for pick up on designated days.

BBQ GRILLS: If you used a propane gas grill during your stay, please be sure to close the nozzle on the propane tank after every use. If you empty one, you may either choose to call the caretaker of the property or exchange it at Stop & Shop for a full tank.

THE SANITIZED KEY was left for you at arrival. Please return it to JPFCOs downtown office at, 19 Centre street prior to leaving the island. Mail slot for evening drop off.

IMPORTANT CONTACT NUMBERS: Your agent has left a personalized note with important phone numbers, including caretakers and cleaners; If you come across a house–related issue please contact the caretaker, your agent or call the office at 508–228–3202.

PLANNING AHEAD: If you are interested in booking your 2021 rental or are interested in looking at properties for sale while you are on island, please contact your JPFCO rental agent, they would be more than happy to show you what is available! www.jpfco.com
