BERMUDA STYLES

Printed Bermudas

Bermuda shorts were created by the British armed forces at the turn of the 20th century. The Empire wanted their troops to look professional while still being comfortable while on duty in the tropics. Our printed Bermuda shorts use this same traditional cut with soft-suede

microfiber fabric that looks every bit as classic, yet is more comfortable and functional. The fabric is durable and dries quickly. Wear them for a round of golf, sail or swim, and then head out for dinner and still look great.

Bermuda Styles shorts are all-purpose shorts providing unmatched comfort and function. Try these shorts with fun Bermudian prints as well as our classic solid colors.

Flat front, zip fly, snap closure, reinforced waist band, and 7 belt loops. Men's even sizes 32-42 and 35.
