Welcome to Nantucket

J Pepper Frazier Company welcomes you to Nantucket Island. Known the world around for it’s quintessential beauty and timeless charm, you now find yourself thirty miles out to sea, at a place unlike any other. Previously named “Best Island in the World” by National Geographic, Nantucket is a confluence of historical tradition, outdoor adventure, and a forgotten lifestyle of sweet simplicity. We know you will enjoy your time on island as much as we do.

In seasons past, visitors to the Grey Lady, as Nantucket is often referred, have immersed themselves in downtown shopping and dining, events and fundraisers, and social gatherings with family and friends from near and far.

However, with continued COVID–19 restrictions in place, we encourage you to experience a different side of Nantucket. Nature walks, bike trails, and over 80 miles of beautiful beaches allow you to still get the phenomenal island experience.

As a result of continued COVID–19 restrictions, our 2021 summer season will continue to be an alternative Nantucket experience, but one full of opportunity. With lots of social distancing under our belts, the island community has learned how to make the most of these limitations, continuing to offer the dining and shopping experiences visitors know and love.

Your Nantucket home away from home

CHECK IN: 3:00PM

Please be mindful that in most cases, previous tenants have recently vacated the property. The window of time for the cleaning company to prepare between parties is utilized in full, so please do not arrive early unless arrangements have been approved in advance.

CHECK OUT: 9:00AM

Please check out of your rental property on time. The cleaning company is scheduled to arrive as early as 9:00AM on the day of your departure to inspect and clean the house for incoming guests. Please leave the house unlocked for the cleaning crew when you leave.

PROPERTY CONDITION: It is important to make sure that the property is left in the same condition as it was found. Nantucket cleaning companies typically charge between \$30-\$40 per hour, per person, therefore it is in everyone's best interest to help expedite the cleaning process. A few ways you can help reduce the cost of cleaning are:

- Strip the bed linens and start the laundry process
- Dispose of open food items in the refrigerator
- Sort recycling and trash into their designated bins outside
- Wash or place dirty dishes in the dishwasher and start the cycle
- Replenish paper goods and cleaning supplies as needed

The more you can do to assist in the cleaning process of your rental property, the more likely you are to reduce the cost of the cleaning service. If you have left the house cleaned, linens washed, and beds made, please leave a note for the cleaning service so efforts are not duplicated. The cleaning service is ultimately responsible for using their discretion and prior experience to leave the property cleaned and prepared for the next tenants.

RECYCLE: The Nantucket Landfill goes to extraordinary lengths to recycle and handle waste disposal. The most recent cell developed at the Landfill is set to last the island community at least a decade – let's make sure to help the effort! The recycling program, established in 1996, and the cleargarbage bag mandate, established in 2000, are both mandatory. Clear garbage bags should be provided for your use at the rental property. Rubbish removal companies will not accept trash that has not been sorted and will charge an additional fee if it is unsorted and/or not accessible on the designated pick up days.

BBQ GRILLS: If you used a propane gas grill during your stay, please be sure to close the nozzle on the propane tank after every use. If you empty a tank, you may either call the caretaker of the property or exchange it at Stop n' Shop for a full tank.

PROPERTY KEYS: Sanitized keys to your rental property were left for you at arrival. At the end of your stay, please return all keys to the J Pepper Frazier Company downtown office at 19 Centre Street. Please use the mail slot if you return the keys after business hours.

IMPORTANT CONTACTS: Your agent has left a personalized note with important phone numbers, including caretakers and cleaning companies. If you come across a house-related issue, please contact the caretaker, your JPFCO agent, or the office at (508) 228-3202.

PLANNING AHEAD: If you are interested in booking your 2022 rental or would like to view sales listings while you are here, please contact your JPFCO rental agent, they would be happy to show you what is available!

Explore Nantucket

BEACHES

Experience the “secret” beaches Nantucket has to offer. Many visitors only know the popular beaches, South Shore Beaches, such as Cisco or the north end beaches like Jetties Beach. But maybe it is time to experience a few news ones.

Children’s Beach:

15 Harborview Way, in town. A waterfront community park with a large grassy picnic space with benches, playground equipment, sandy beach, restrooms, sheltered area and ‘The Hungry Minnow’ snack bar.

Jetties Beach:

4 Bathing Beach Road. One mile from town; popular, family friendly beach on Nantucket Sound with warmer, calm waters. There are lifeguards, showers, public restrooms and a playground. After the beach, stop by Sandbar Beach Bar & Restaurant, for food and fun that is kid friendly!

Nobadeer Beach:

Near the airport. Party scene beach with a younger crowd, lifeguards and commonly heavy surf.

Cisco Beach:

Near the end of Hummock Pond Road on the southern side of the island. Popular surfing beach with commonly heavy surf. Stop by Cisco Brewery on your way home for Nantucket made beer and live music!

Siasconset Beach:

Located at the eastern most tip of the island about 7 miles from town. Surf can be heavy with strong currents; there is a lifeguard and food available in nearby ‘Sconset Village. ‘Sconset Beach can be reached either from Milestone road and bike path or slightly longer Polpis road and bike path. Stop by The Summer House, Beachside Bistro for lunch!

Dionis Beach:

Located on the northern shore, about 3 miles from town. Warmer, calmer waters for swimming with lifeguards; this beach is suitable for children.

Miacomet Beach:

Miacomet Road. Quieter beach on the south side of the island with a beautiful pond nearby.

Steps Beach:

Steps Beach Path off Lincoln Circle. Beautiful Beach in the Cliff Rd. area with many steps down to get to the beach. Beautiful scenery for photo opps and gorgeous sunsets!

Surfside Beach:

End of Surfside Road on Nantucket’s south shore, about 3 miles from town. Accessible by a bike path or shuttle service from town. Popular family beach with lifeguards, restrooms, parking and the Surfside Beach ShACK, snack bar.
774-333-3833 • SurfsideBeachShack.com

Tom Nevers Beach:

5 Miles from town, this beach is slightly more remote. The surf can be heavy and beach access is sometimes difficult. An old Navy Base stands nearby. During summer 2017 this beach was great for whale watching!

Madaket Beach:

End of Washington Ave. Beautiful beach on the west side of the island with lifeguards and beautiful sunsets! Stop by Millie’s for a drink or a bite afterwards!

BEACH DRIVING

A beach permit can be purchased at the Police Department. They will provide you with a map of the drivable beaches
508-228-1212 • [4 Fairgrounds Rd.](http://4FairgroundsRd.com)

Coskata-Coatue Wildlife Refuge and Great Point Light
You must purchase the beach permit at the gatehouse at the Wauwinet
508-228-0006 • [107 Wauwinet Rd.](http://107WauwinetRd.com)

* This list is a combination of beaches that are local favorites, popular tourist spots, and bike path accessible. Of course, with 82 total miles of coastline, there are many more beautiful beaches to explore!

LIGHTHOUSES

Nantucket has 3 working lighthouses, each with their own distinctive look and history.

Brant Point Light

Established in 1764, this was the second lighthouse erected in Colonial America. Located on Easton Street, Brant Point Light both welcomes and bid adieu to visitors and locals alike traveling on the ferries. Toss a penny over your shoulder when you round Brant Point headed to Hyannis and you are sure to return.

Great Point Light

Officially called Nantucket Light, Great Point was first built in 1784. Located on a thin split of beach where the Atlantic Ocean and Nantucket Sound meet at the Coskata-Coatue Wildlife Refuge, the current Great Point is actually the third structure in the light's history.

Sankaty Head Light

Built in 1850 and located at the easternmost point of the island, Sankaty Lighthouse is a true Sconset gem. Moved from its original location in 2007, Sankaty stands watch over the acclaimed Sankaty Golf Course and the bluffs of the eastern shore.

Getting Around

Bikes are a great way to get around on Nantucket with 35 miles of paved paths throughout.

Public transportation is available year round by WAVE shuttle bus. Taxi's are always an option and Uber & Lyft are easily accessible.

DOG WALKING

pACKactive • packactive.org

Your Nantucket Bucket List

*may need to be adjusted for COVID-19 related restrictions and social distancing this year.

- Try a Watermelon Cream at The Juice Bar.** What sounds like an odd combination is actually one of the greatest desserts on island.
- Watch the sunset on the beach in Madaket.** Bring a blanket, takeout dinner, or something to toast the day away! These views are picturesque to say the least.
- Visit Altar Rock.** You can even bike there if you're feeling especially adventurous. Make sure to pay close attention to the terrain, you may just stumble upon a Native American arrowhead!
- Drive out to Great Point Lighthouse.** Let the air out of your tires and hit the sand – driving! This drive boasts some of the most stunning views of the island and almost guarantees a seal sighting or two!
- Go whale watching.** There are several tours on island so select one that accommodates your schedule and get ready to be amazed.
- Have a picnic at the Oldest House.** Mobile order your lunch from nearby Something Natural and enjoy on the lawn at the island's oldest property.
- Feed the turtles.** Head to Stop n' Shop for twine and chicken legs before you go and you're guaranteed to get some bites.
- Go for a round of golf and finish with lunch on the patio at Miacomet.** A year-round staple for a reason, an afternoon at Miacomet is always a relaxing way to make the very most of a sunny day.
- Stargaze on the beach.** You really can do it from anywhere on island, but the sound of waves crashing elevates the experience to a must-do.
- Enjoy a night out at The Chicken Box.** From DJ nights to live shows, there is never a bad time to head to the Box for a night out guaranteed to keep you smiling.
- Spend an afternoon at Cisco Brewery.** With kids and dogs welcome and some of the best food trucks on island, an afternoon at the biergarten-style brewery is always a good idea.
- Walk to Sconset bluff.** Stop at Claudette's before for a coffee and cinnamon twist before you go to make this the perfect morning excursion to start your day.
- Buy a piece of official Nantucket Red merch from Murray's Toggery.** From pants, shorts, and skirts to button-ups, hats, and even overalls, you're hardly an official Nantucketer until you've donned the cranberry colored clothing
- Grab a mudslide at the Gazebo.** The first place to go when you get off the Hy-Line and the essential last stop, there's nothing that compares to a Gazebo mudslide.
- Go night swimming with the Phosphorescence.** Classic Nantucketers would mandate skinny dipping, but we say swimsuits are fine to enjoy this once in a lifetime sighting at the end of July.
- Take a Nantucket Ghost Walk tour.** We're not convinced that the ghosts are real but the history of some of Nantucket's most stunning town properties makes this evening activity a hit with the whole family.
- Sail the harbor and beyond on a sailing excursion.** Maybe not for the faint of heart, but certainly for those looking for an authentic island experience.
- Thrift away at the Nantucket Hospital Thrift Store.** If you've spent time at the Hospital Thrift shop before, you know there can be some pretty incredible items hiding on the shelves.
- Spend a rainy afternoon at the Nantucket Whaling Museum.** The kids will love the gigantic whale skeleton and adults will appreciate some rainy day entertainment.
- Bike to Surfside Beach on the bike path.** Head on out to this south shore, tourist favorite beach for incredible waves and the best hot dogs on Nantucket.

2021 Nantucket Calendar of Events

This 2021 summer season is going to look a lot different due to the recent COVID-19 outbreak. At J Pepper Frazier Company, we continue to wish that you and your loved ones are staying healthy and safe. As many of you know, various Nantucket events that are special to all of us, are either postponed or cancelled. In order to know the latest update on the events, please visit their individual websites for more information. We hope you can attend these events remotely, or look forward to them in 2022.
